**Subject:** Microwave Retirement - January 4

Hello All,

As most of you have heard, Dr. Mary Gilchrist has requested that personal appliances such as microwaves and toasters be removed from break rooms. The microwave on the 3rd floor will be retired on Friday, January 4. Microwaves will continue to be available to use in the Cafeteria.

At this time, we would like to extend our thanks to the microwave for its years of dedicated service to the staff within the Division of Analytical Chemistry. It served all employees faithfully and tirelessly, and its heating capabilities will be missed. If you have any questions, please give me a call at x6212.

Thanks,  
Kristen
